Dear Phil,

The original draft Sediment Transport Modeling Report was submitted to EPA on June 4, 2009 and EPA provided comments on the report August 3, 2009. Subsequently, a meeting between EPA, TCEQ and JDG representatives was held to discuss the report. Attached please find the final Sediment Transport Modeling Report and the JDG Response to Agency Comments on the Report. Should you have any questions please contact me.

Bob Piniewski
